Agenda and Sessions

The various planning committees hope to have a tentative list of topics and speakers drafted by March 1. As always, you can count on great materials and discussions that will directly help you, and your Firm, in these challenging, but opportunistic, times.

We'll begin with a registration and a beverage/snack reception on Sunday evening. We'll end around 4:30 on Tuesday. Informal, optional golf is being organized and information on that will be available later as well.

Cost

There is no advance registration fee to attend this meeting. Each participant that has not already pre-paid will be billed following the meeting on a cost-shared basis for all our meeting's direct costs. The anticipated per-person amount based upon expected attendance and meeting costs should be between \$500 and \$600.

The Pre-Paid People are:

- **Internal Tech Leaders** – 3 per firm
- **Alliance Partners** – 2 per company
- **Affinity Partners & Vendors & Consultants to the Profession** – 1 per company
